

Sept 2014 – July 2015

Pupil Premium Allocated: £226.339.00 (Academic Year)

A More Detailed Breakdown And Analysis Of The Impact Of Pupil Premium Expenditure 2014-2015 (Allocation £226,339)

	Allocation	Cost	Effect
1	4 additional Teachers	£114,902	<p>The gap in attainment between our pupil premium pupils and non pupil premium pupils nationally has closed. Our pupil premium children perform in line or better than non pupil premium children nationally (See our data under pupil premium page for a breakdown and analysis of the results)</p> <p>Children continued to benefit from work in smaller groups from Y1 to Y6. More able pupils were effectively challenged and less able received targeted support.</p> <p>Pupil trackers and end of Key Stage 2 results show that our pupil premium children made expected and accelerated progress from the end of key stage 1 to the end of key stage 2.</p> <p>(See our data under pupil premium page for a more detailed breakdown of pupil progress)</p>
2	2 additional Teaching Assistants	£27,734	<p>Additional support and intervention for the less able indicated an accelerated progress of specific groups.</p> <p>This also enabled highly trained TA's to work on phonics with very small groups of pupils.</p> <p>2015 data for the year 1</p>

			<p>phonics check shows that our pupil premium children achievement was 11% higher than national pupil premium children. The gap between the achievement of our pupil premium children and other pupils nationally is closing.</p> <p>(See our data under pupil premium page for a more detailed breakdown of pupil attainment)</p>
3	Extra lessons in reading and small group tuition	£4,000	<p>The impact for our pupil premium pupils is that a greater percentage have achieved expected or above expected levels.</p> <p>Small targeted support has taken place for less able, as well as opportunity for targeted challenge of more able.</p> <p>(See data on our pupil premium page here, for a more detailed breakdown of attainment and of progress for pupil premium children)</p>
4	Additional lessons for more able at end of Key Stage 2 in reading, writing and maths (Secondary Specialists)	£4000	
5	Subsidy of Residential Educational Visits and Visitors Additional	£7,217	<p>This resulted in higher levels of overall well being and confidence of pupils and greater levels of motivation and perseverance at specific, challenging tasks. Such skills were translated to classroom experiences and perseverance in academic, as well as physical challenges.</p>
6	Poets, author workshops, musicians and Artist projects across the school.	£4,176	
7	Reading books aimed at low ability / high interest and more able. Class novels across the school, including	£5,000	<p>Greater motivation, challenge, as well as choosing to 'read for pleasure.' This</p>

	sets of classics.		led to progress of this group as outlined above.
8	Music tuition and the opportunity for every pupil to learn a musical instrument.	£3,038	
9	In addition to the school's Modern Foreign Languages Curriculum, the children also have the opportunity to learn the language of Mandarin , as well as learn about the culture, people, customs etc.	£4,000	Provision of wider opportunities to enable our pupils to learn about the culture, as well as the language of both Spanish and Mandarin.
10	Online Teaching Resources for pupils and staff to access both in school and at home	£3,200	Provided greater access to a wider range of quality reading material, strengthening home / school links
11	Welfare support by providing shoes, uniforms, breakfast club, PE kits etc	£3,000	Increased confidence, security and well-being.
