We have explored our FANTASTIC Nursery environment! We can choose to go outside or inside to do our learning, and if we want a rest we can sit down and have a snack and a drink!

It's getting a bit colder and windier, and the leaves are falling off the trees....It must be AUTUMN!! Look at the pictures of our wonderful Autumn Craft!!

Happy October

Birthday to...

Greta!

What have we been doing?

We have had great fun outside on our Autumn Walk collecting all sorts of objects for our craft table. We learnt how to describe the objects by using words such as crispy, brown, smooth, rough, and shiny. Some of the teachers accidentally pricked their fingers on the conker shells!! Ouch!

We have been listening to Autumn stories about cheeky squirrels and lost acorns! We have had a go at drawing and writing about our Autumn objects.

Every week in Nursery we listen to, learn and join in with a new Nursery Rhyme. We will send these home in your child's 'Rhyme of the Week' book, so you can help your child to learn some of the new words in the rhyme and understand what it is about.

We are loving our weekly Music and Dance sessions with Sharon from Fountains Children's Centre and Mrs Nicol! We learn all sorts of funny action songs, play instruments and singalong to our favourite tunes! We have also been practicing our moves with Miss Bond in the hall doing Ribbon Dancing!

We painted Autumn Leaves!!

In a large bowl or tray fill about a quarter full with cold water.

Sprinkle cornflour on and mix until you get a sticky consistency, which turns from solid to liquid as you pick it up! Try adding different colours or scents using food colouring.

Tip: Wear aprons, old clothes and cover the table or floor!!
