February Fun in the Early Years!

Pip the Penguin Returns Safely!!!

However.....The EVIL Snow Queen has TRAPPED his friends and family in the ice!!

Thankfully the children in the Nursery had lots of wonderful ideas to help them escape. They experimented with warm and cold water, salt, small hammers, brushes and scourers but the most original idea had to be using a T Rex to break them out!!

Traditional Tales in Reception!

Reception have been looking at a series of traditional tales. They have compared different versions of Red Riding Hood and The Three Little Pigs and found that some of the details, endings and characters are different. Through our stories the children have been asking and answering lots of questions and using lots of different question words. The children have even dressed up as the characters and thought about how they would answer if they were that character.

There has been lots of experimentation with building different styles of houses with different materials linking to the Three Little Pigs. Sand and mud houses have proved very popular!

On Shrove Tuesday Reception learnt all about Lent and the lead up to Easter and tried tasting some pancakes of their own.

Happy February Birthdays to....
