Welcome to Early Years

Welcome back to our second year Nursery children and to all of our Reception children, and a huge welcome to all our new children both in Reception and Nursery.

We hope you have lots of fun and make lots of friends in our setting!

We have started the year focusing on ourselves, our families and settling into our new rooms. We have agreed class rules and routines with the children, and thought about how we look after ourselves, each other, and all our lovely resources.

Reception have opened their brand new Sand and Water Zone which has been hugely popular, and Nursery have created a wonderful Relax Zone where the children can chill out with their friends or with a book!
