Wow we have been busy in nursery!! We have been working so hard practicing our songs for Nursery Singalong! We hope you enjoyed it!
The nights are getting longer now,, and winter is drawing near, so we need to make sure we wrap up warm!
Don't forget, Father Christmas is watching and busy preparing all those presents for all the children!

What have we been doing?

During November we had a great time making all kinds of firework and bonfire art! We loved splatting paint and glitter to make firework effects on the paper, and we worked together with our friends to make huge pictures for our outdoor classroom!

Our counting skills have been coming along, with lots of practical work including all our different number and counting songs! You heard a few of them in our singalong! One of our favourites is 5 cheeky monkeys and the naughty crocodile!!

We have also had a fabulous time using all sorts of media and materials to develop our mark making skills and build those essential muscles for handwriting and pencil control! We love using all colours of felt tip on the huge paper, and drawing shapes and patterns in the glittery sand! Our fab playdough table also lets us practice using our muscles so

that we can be great dancers at Playdough Disco!

We loved singing our favourite songs to you at the singalong! Some of us didn't want to take our costumes off after!

Enjoy the Christmas holidays and don't forget to leave a carrot out for Rudolph!!

Magical Reindeer Dust!

Why not try making this magical reindeer dust to guide Santa to your house. The glitter helps the reindeer find your house and the oats will help feed the reindeer whilst Santa is busy filling up all the stockings with presents!

Recipe

There are no rules! It just depends how much you would like to make or what you have to hand. You can adapt the following recipe to suit you.

- 2 cups of oats
- 1/2 cup sugar
- 1/2 cup glitter
- Zip lock bag
- Small bags for the reindeer dust
 - Ribbon to tie the bags
- Paper & pen to write your poem

Mix up the ingredients and tie a portion of food in a bag for each child. On Christmas Eve sprinkle the food outside to show Santa where to visit!
