Minibeast Art!

Volume 1, Issue 7

April and May BUMPER ISSUE!!

2016

St John's Primary School, Kirkdale

Such a busy time in the Nursery in the lead up to Summer! We have been learning and developing so much! See inside for some of our learning activities!

What have we been doing?

We have been learning about Springtime, and getting messy painting blossom for our display and making daffodils! We have been detectives hunting outdoors for signs of spring, and recording them on our special tick sheets so that we could share what we had found with the other children. We have also spent lots of time outdoors hunting for all different types of minibeasts, and we have learnt the names of lots of new ones that we didn't know before like millipede and grasshopper!

Inside this Issue.....

What have we been doing?

Isaac

All Change!!

We have a brand new area in our nursery full of superheroes, fairies and magical creatures!! We love using our imagination to make up wonderful fantasy stories with them and we learn new words all the time to talk about what we are doing! We also have a new enlarged home corner with a separate kitchen area and living room area!

Learning and Playing!

Counting Fun!

Manning the fort!

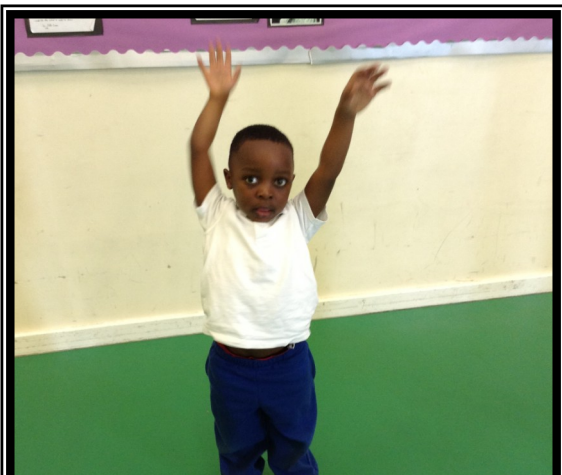

Enjoying our new kitchen area! Anyone for a sandwich?

Quiet please! Artists at work!

We are learning to make different shapes with our bodies. Can you spot a tuck shape and a stretch shape?

We worked so hard together to build our castle! We helped each other and talked about what we were doing and what we wanted to do next!

I have shown great perseverance in practising throwing and catching the beanbag!

We just love playing with the dolls, creating stories and adventures!

Our Nursery Summer Trip!

As you know this summer we are so excited to be taking the children to Knowsley Safari Park!

We are so lucky to have Year 5 coming along with us to share the experience! One Year 5 class will come with the Morning Children on Wednesday 6th July and the other Year 5 class will come with the Afternoon children on Thursday 7th July. Don't forget that the nursery is closed both days except for the trips so your child will not attend nursery on the alternative day to your trip.

The times will be 9am until 2.30pm. We have an extremely action packed day so please be on time so that we can set off on time! It is also very important that you collect your child at 2.30 from the normal nursery entrance.

Your child will need a packed lunch in a throwaway carrier bag. Please do not send any fizzy drinks or glass bottles.

Activities during the day

- ◆ Foundation Fun (workshop in the activity room)
- ◆ Train ride
- ◆ Coach tour around the park
- ◆ Sea lion show
- ◆ Bird of prey show

We're on the Web!
