Catholic Primary School

Christ is the centre of our school community
where we live, love and learn together.

Welcome!

We are very proud of our school which is a caring and happy environment.

We believe that our school is a warm, welcoming and inclusive one where children are supported and encouraged to enjoy learning and to develop their full potential.

We welcome visits so that you can see us in action and see for yourself why St John's is a special place to be.
