

Magic Moments

Has your child had a magical moment at home recently? Have they achieved anything significant that you would like to share with school?

A magical moment may be something new they have learned to do such as zip up their own coat or write their name for the first time. It may be a significant moment such as sleeping in their own bed all night long or helping you to clean and tidy the house. You may like to share a fun activity from home or an adventure you had at the weekend or on holiday.

At school we are really interested and excited about sharing these wonderful achievements from home and discussing them with your children.

If you have had a magical moment recently please complete the tear off slip or send in a photograph and return it to school so we can share the moment in class.

Thank you

Early Years Team
