

Parents and Carers at St John's

At St John's we include the whole family in the life of the school and the education of the children. There are many ways to support your child, further your own learning, and help support school initiatives and activities.

If you have any queries please contact Mrs Nicol through the school office. (0151 922 1924)

<p>Parent Workshops at St John's which support children's learning</p>	<p>Fountains Children's Centre – Activities for 0-5's and their parents/ carers.</p>

<p>Hugh Baird College – Adult Education Opportunities</p>	<p>Fountains Children's Centre – Education opportunities for Parents and Carers</p>
<p>Work related courses allow you to develop practical, work based skills and often include work experience, placements and workshop based teaching. Employers really value the skills you develop on these courses, so they are great if you want to move into employment. It is also worth remembering that the Level 3 courses are the equivalent to three A Levels and are accepted by universities. Examples include: Construction, Floral Design, Computing, Childcare, English for Speakers of Other Languages (ESOL) And many more..... Some of these courses are free and if we have enough people interested we may be able to hold them here at St John's. Please see Mrs Nicol or the office if you are interested in these courses.</p> <p>Further information can be found on Hugh Baird's website: http://www.hughbaird.ac.uk/ Tel: 0151 353 4444</p>	<p>Computers (Wednesday 9.30 – 11am – Drop in)</p> <p>Parenting advice and support is available 5 days a week. Please contact the centre for more information.</p> <p>http://www.fountainsandvauxhallchildrenscentre.co.uk/welcome/</p> <p>Tel: 0151 233 4741</p>
