

St John's Catholic Primary School

ATTENDANCE POLICY

“Christ is the Centre of our School Community where we live, love and learn together”

Introduction:

This is a successful and happy school and your child plays their part in making it so. However for our children to gain the greatest benefit from their education it is vital that they attend regularly and your child should be at school, on time, every day the school is open unless the reason for the absence is unavoidable. It is very important therefore that you make sure that your child attends regularly and this Policy sets out how together we will achieve this.

Why Regular Attendance is so important:

Any absence affects the pattern of a child's schooling and regular absence will seriously affect their learning. Any pupil's absence disrupts teaching routines so may affect the learning of others in the same class. Ensuring your child's regular attendance at school is your legal responsibility and permitting absence from school without a good reason creates an offence in law and may result in prosecution.

Promoting Regular Attendance:

Helping to create a pattern of regular attendance is everybody's responsibility - parents, pupils and all members of school staff. Our aim is to promote the high levels of attendance to best help support the learning of our pupils.

To help us all to focus on this we will:

- Give you details on attendance in our regular newsletter;
- Report to you at least termly on how your child is performing in school, what their attendance and punctuality rate is and how this relates to their attainments;
- Celebrate good attendance by displaying individual and class achievements;
- Reward good or improving attendance through class competitions, certificates and outings/events. Reward positive attendance with weekly and termly celebration attendance rewards.
- Run promotional events when parents, pupils and staff can work together on raising attendance levels across the school.

Understanding types of absence:

Every half-day absence from school has to be classified by the school (not by the parents), as either AUTHORISED or UNAUTHORISED. This is why information about the cause of each absence is always required, preferably in writing.

Authorised absences are mornings or afternoons away from school for reasons such as illness, medical/dental appointments which unavoidably fall in school time, emergencies or other unavoidable cause.

Unauthorised absences are those which the school does not consider reasonable and for which no "leave" has been given. It is this type of absence which can lead to the Authority using sanctions and/or legal proceedings and includes:

- Parents/carers keeping children off school unnecessarily
- truancy before or during the school day
- absences which have never been properly explained
- children who arrive at school too late to get a mark
- shopping, looking after other children or birthdays
- day trips and holidays in term time which have not been agreed.

Whilst any child may be off school because they are ill, sometimes they can be reluctant to attend school. Any problems with regular attendance are best sorted out between the school, the parents and the child. If your child is reluctant to attend, it is never better to cover up their absence or to give in to pressure to excuse them from attending. This gives the impression that attendance does not matter and usually make things worse.

Persistent Absenteeism (PA)

A pupil is a persistent absentee when they miss 10% or more of their schooling across the school year **for whatever reason**. Absence at this level is doing great harm and we need parent's fullest support to address this.

We will give priority to any pupil either at the PA level **or at danger of reaching it** and parents will be informed of this immediately so that together we can put a plan in place to get that child back into school. All PA cases are also automatically made known to the Education Welfare Officer.

Absence Procedures:

If your child is absent you must:

- Contact us as soon as possible on the first day of absence;
- Send a note in on the first day they return with an explanation of the absence;
- Or, you can speak with any member of staff that you see on the playground or in school and tell them why your child is or has been off school.

If your child is absent we will:

- Telephone you or any named persons on the data collection sheet on the first day of absence if we have not heard from you;
- We will continue to try and contact you until a reason for your child's absence has been established.
- If we are unable to make contact to confirm the reason for the absence then a home visit will be made by the Local Authority EWO, Headteacher or a member of the SLT.
- If persistent absence continues, you will be invited into school to discuss the situation with the Headteacher, EWO and Welfare and Child Protection.

Telephone numbers:

There are times when we need to contact parents about lots of things, including absence, so we need to have your contact numbers at all times. So help us to help you and your child by making sure we always have an up to date number – if we don't then something important may be missed. There will be regular checks on telephone numbers throughout the year.

The Education Welfare Officer:

Parents are expected to contact school at an early stage and to work with the staff in resolving any problems together. This is nearly always successful. If difficulties cannot be sorted out in this way, the school may refer the child to the Pupil Attendance & Education Welfare Officer from the Local Authority.

St John's Catholic Primary School
Headteacher: Miss D Maudsley

Review Date – 09/11/2023

He/she will also try to resolve the situation by agreement but, if other ways of trying to improve the child's attendance have failed and unauthorized absences persist, these Officers can use sanctions such as Penalty Notices or prosecutions in the Magistrates Court. Full details of the options open to enforce attendance at school are available from the school or the Local Authority.

Alternatively, parents or children may wish to contact the PAEWO themselves to ask for help or information. They are independent of the school and will give impartial advice. Their telephone number is available from the school office or by contacting the Local Authority on 0151 225 4980.

Lateness:

Poor punctuality is not acceptable. If your child misses the start of the day they can miss work and do not spend time with their class teacher getting vital information and news for the day. Late arriving pupils also disrupt lessons and can be embarrassing for the child. Lateness can also encourage absence.

How we manage lateness:

The school day starts at **8.55am** and we expect your child to be in at that time.

Registers are marked by **9.00am** and your child will receive a late mark if they are not in by that time.

At **9.30am the registers will be closed** – in accordance with the Regulations, if your child arrives after that time they will receive a mark that shows them to be present on site, **but this will not count as a present mark** in law and it will mean they have an unauthorised absence. This means that you may face the possibility of a Penalty Notice if the problem persists.

In the afternoon your child must be in school for **1.00pm**. ***Children who arrive in school during the lunch break having been absent during the morning will not be accepted onto the playground or in the canteen.***

The registers will be closed again at **1.30pm** and again arrival after this time will be treated as an unauthorised absence.

If your child has a persistent late record you will be asked to meet with the Headteacher or Governors to resolve the problem, but you can approach us at any time if you are having problems getting your child to school on time.

Holidays in Term Time:

Taking holidays in term time will affect your child's schooling as much as any other absence and we expect parents to help us by not to take children away in school time.

Remember that any savings you think you may make by taking a holiday in school time are offset by the cost to your child's education.

Please be aware of our term dates. As a school we have tried to accommodate certain weeks, attached to term end dates when cheaper holidays and flights are available.

Under new Government legislation; there is no automatic entitlement in law to time off in school time to go on holiday.

The amendments make it clear that Head Teachers may **NOT** grant any leave of absence during term time.

Penalty Notices (fines) will be issued to both parents and failure to pay these within the timescales will result in legal proceedings.

School targets, projects and special initiatives:

The school has targets to improve attendance and your child has an important part to play in meeting these targets. Our school target is 97%.

Targets for the school and for classes are displayed in the school and you should take time to study them.

The Government attendance target is 97%.

Our target is to achieve better than 97%. We are aiming for this level because that is the attendance needed for pupils to achieve the best from their schooling and we believe we can achieve this and be amongst the best attended schools in the city.

Through the school year we monitor absences and punctuality to show us where improvements need to be made.

Information on any projects or initiatives that will focus on these areas will be provided in our newsletter and we ask for your full support.

Those people responsible for attendance matters in this school are:

- Miss D Maudsley – Headteacher
- Mr D Walsh – Deputy Headteacher
- Mrs L Wooding – Welfare and Child Protection Lead
- Local Authority - EWO

Summary:

The school has a legal duty to publish its absence figures to parents and to promote attendance. Equally, parents have a duty to make sure that their children attend. School staff are committed to working with parents as the best way to ensure as high a level of attendance as possible.

St John's Catholic Primary School

This document does not replace our existing **Attendance Policy** which can be found on our website at

<https://www.stjohnskirkdale.co.uk/files/school%20policies/2019%20november/95028D5A15D754C7B588BB74D7DC5F11.pdf> but it outlines our attendance procedures for the period of school re-opening from September 2020 until matters are reviewed in January 2021.

**Please refer to DfE guidance at the end of this document for information on vulnerability, shielding and quarantine requirements*

Background

In March 2020 when the coronavirus (COVID-19) outbreak was increasing, the Government made amendments to the legislation which meant, parents would not be penalised or sanctioned for their child's non-attendance at school.

It is now vital for **all children** to return to school to minimise the long-term impact of the pandemic on children's education, wellbeing and wider development.

School Attendance will be compulsory from the beginning of the Autumn Term in September 2020.

Your child will be welcomed back into school and the usual rules on **School Attendance** will apply,

- It is the duty of the parent to ensure that their child attends school regularly (where the child is a registered pupil) and is of compulsory school age
- It is the responsibility of the school to record attendance and follow up absence.
- The availability of the local authority to issue sanctions relating to unauthorised absence from school will now continue.

Who cannot attend school?

- **Pupils who have Covid symptoms.**
- **Pupils who live in the same household as someone who has Covid symptoms.**

Where this is the case, please refer to the NHS testing website and inform the school immediately.

If someone in your household is extremely clinically vulnerable, the school will discuss individual cases with parents as necessary.

Pupils who are shielding or self-isolating

We now know much more about coronavirus (COVID-19) and so in future there will be far fewer children and young people advised to shield whenever community transmission rates are high. Therefore, the majority of pupils will be able to return to school. However:

- A small number of pupils will still be unable to attend in line with public health advice because they are self-isolating and have had symptoms or a positive test result themselves; or because they are a close contact of someone who has coronavirus (COVID-19)
- Shielding advice for all adults and children paused on 1 August 2020. This means that even the small number of pupils who will remain on the shielded patient list can also return to school, as can those who have family members who are shielding. Read the [current advice on shielding](#)
- Where you and your child have been delayed in returning to the UK or travelling abroad and have been told to remain at home, you should not attend school during the period of quarantine. Please discuss such circumstances with the school and provide documentary evidence in support of the absence; school will consider the circumstances of the trip/time abroad to inform our decision to authorise absence or not. Current advice on [travel corridors](#)
- If rates of the virus rise in local areas, children (or family members) from that area, and that area only, will be advised to shield during the period where rates remain high and therefore, they may be temporarily absent.
- Some pupils no longer required to shield but who generally remain under the care of a specialist health professional may need to discuss their care with their health professional before returning to. You can find more advice from the Royal College of Pediatrics and Child Health at [COVID-19 - 'shielding' guidance for children and young people](#).

Where a pupil is unable to attend school because they are complying with clinical and/or public health advice, we will offer access to education at home resources. We will monitor engagement with this activity to ensure learning is being accessed appropriately. This may also apply to some pupils with Education Health Care Plans.

Where pupils are not able to attend school as parents are following clinical and/or public health advice, absence will not be penalised.

All other pupils must attend school.

Pupils of compulsory school age must be in school unless a statutory reason applies and where the absence has been **authorised** for example;

- The pupil has been granted a leave of absence
- The pupil is unable to attend because of sickness
- The pupil is absent for a necessary religious observance etc

We understand that some pupils, parents and households may be reluctant or anxious about returning to school. This may include pupils who have themselves been shielding previously but have been advised that this is no longer necessary, those living in households where someone is clinically vulnerable, or those concerned about the comparatively increased risk from coronavirus (COVID-19), including those from Black, Asian and Minority Ethnic (BAME) backgrounds or who have certain conditions such. This may also include some pupils with EHCP plans.

If parents of pupils with significant risk factors are concerned, please discuss your concerns with the school so that we can understand your situation and reassure you of the measures we have in place to reduce the risk in school. The school may contact the SEND and School Nursing Teams for advice and support, and we may require medical verification or other relevant documentation in order to assess risk.

Punctuality

Some groups of pupils may be given staggered start and finish times to keep 'bubbles' apart as they arrive and leave school. Where this is the case, you will be informed. Staggered start and finish times will not reduce the amount of overall teaching time each child receives. Please ensure your child arrives on time and is collected on time in order to minimise disruption in line with the school's Covid risk management. Please contact the school ahead if you are experiencing difficulties. If lateness persists, the school will want to discuss this with you and agree some support measures; if matters do not improve, the lateness will **not be authorised** and the matter may be referred to the local authority Education Welfare Service.

Please refer to our 'drop off and collection' arrangements and **be aware that the gathering of parents at the school gates and otherwise coming onto the site without an appointment is not allowed.**

Absence Procedures

- **Parents and carers should notify the school as normal** if your child is unable to attend on any given day. You must update the school regularly regarding any ongoing absence.

- Where a child is not regularly attending school, we will discuss this with you to understand what the difficulties are and agree some supportive measures to improve matters as early as possible. Normal absence procedures will be followed (please refer to our main Attendance Policy found on our website at <https://www.stjohnskirkdale.co.uk/files/school%20policies/2019%20november/95028D5A15D754C7B588BB74D7DC5F11.pdf>)
- Where the school's efforts do not result in an improvement in attendance or punctuality, and if there is no valid reason for the child to be absent, we will refer to the local authority Education Welfare Service for additional support, advice and statutory intervention.

Procedures for COVID related absence.

If a parent reports a pupil absence due to COVID symptoms they should stay at home, be advised to get a test immediately and engage with NHS test and trace process. Tests can be booked online through the NHS testing and tracing for coronavirus website or ordered by telephone via NHS 119 for those without access to the internet.

- **Code X** to be applied during the period of self-isolation until the outcome of the test is known.
- **Parents must inform school immediately of the results of a test:**
- If a pupil tests negative, they should return to school the following day if they are well.
- If the child tests positive they should follow the 'stay at home: guidance for households with possible or confirmed coronavirus (COVID-19) infection' and must continue to self-isolate for at least 10 days from the onset of their symptoms and then return to school only if they do not have symptoms other than cough or loss of sense of smell/taste. (This is because a cough or anosmia can last for several weeks once the infection has gone) The 10-day period starts from the day when they first became ill. If they still have a high temperature, they should keep self-isolating until their temperature returns to normal.
- **Code X** should be used for the period of self-isolation until the outcome of the test is known. If a positive result is confirmed the pupil should be recorded as code I (illness) until they are able to return to school.

- Any siblings in the same household should continue self-isolating for the full 14 days.
 - **Code X** to be applied.
- If a pupil tests positive but has no symptoms for COVID-19 they must self-isolate for 10 days, starting from the day the test was taken.
- If they develop symptoms during this isolation period, **they must restart** their 10-day isolation from the day they develop symptoms.
 - **Code X** should be used for the period of self-isolation until the outcome of the test is known. Once a positive result is confirmed, the pupil should be recorded as code I (illness) until they are able to return to school.
- After 10 days, if the pupil still has a temperature they should continue to self-isolate and seek medical advice. The pupil does not need to self-isolate after 10 days if they only have a cough or loss of sense of smell or taste, as these symptoms can last for several weeks after the infection has gone.
 - **Code I** to be applied
- For all pupils in a 'bubble' who have been sent home and asked to self-isolate for 14 days
 - **Code X** should be applied for all pupils who have been asked to self-isolate. The coding would be updated to **I** if any of the pupils subsequently develop symptoms and test positive for COVID.

Pupils who are required by legislation to self-isolate as part of a period of quarantine:

As usual parents should plan their holidays as part of school breaks. If a pupil is required to be in quarantine on arrival in, or return to, the UK;

- **Code X** is to be applied
- **From September, the normal rules will apply during the period of absence relating to the holiday dates.** Please refer to our main policy for guidance regarding holidays taken during term time.

Referrals to the Education Welfare Service

- All unauthorised absence is reported to the Education Welfare Service so the local authority can offer additional advice and support to parents as necessary. Where unauthorised absence is persistent, sanctions may be imposed to include warnings, penalty notices, prosecution in the magistrate's court or an education supervision order through the family proceedings court.

- Where a child or family is away from home including abroad, and unable to return home, parents are expected to provide the school with detailed information as to the whereabouts, reasons for travel and estimated return dates. Where the school is not satisfied with the reasons provided, the absence will not be authorised, and this could result in the local authority issuing a Penalty Notice (please refer to our main Attendance Policy)
- Leave of absence can only be granted in **exceptional circumstances**, at the discretion of the Headteacher and in accordance with the school policy as agreed by the governing body. **Holidays in term time are not viewed as exceptional circumstances. There is no entitlement to time off during term time.**
- Where the school and the Education Welfare Service have failed to locate the child/family within 20 school days, the child will be referred to the **Local authority Children Missing Education Pupil Tracking Officer** (CME officer) who will undertake additional checks with other agencies to locate them, including consultation with social care, the police, health and housing. Where these enquiries do not lead to confirmation of the child's whereabouts, the matter will remain open to that service who will widen their enquiries. In these circumstances, the school cannot guarantee to keep a school place open for your child.

Safeguarding

If at any time the school are concerned for a child's safety or welfare from any year group, we will consult with the relevant agencies and follow the local Safeguarding Children Partnership procedures.
