

## St John's Catholic Primary School

### 'Catch-up' Premium Expenditure

Year 2020-21

**£32, 400**

How the money will be spent:

Allocation	Cost	Impact
'Catch-up' sessions / targeted teaching after school, afternoon and lunchtimes delivered by class teachers:	£18,180	Children felt more confident and had the basic skills and knowledge to be able to access their current year group's curriculum objectives in lessons.
EYFS Catch up programme for language and communication	£2,320 training/cover/resources	Early years children were able to communicate their needs to teachers and begin to access the RWI phonics scheme with the support of this language and communication intervention.
Tutoring to provide extra targeted tutoring/catch-up sessions	£2000	Specific children with additional and complex needs had individualised support to help them transition back into whole class lessons and be able to access the whole curriculum confidently.
Remote Learning Phonics Programme for Reception to Year 3 to develop phonics skills and reinforce learning online at home.	£750	Children and parents were supported and provided with access to quality resources, following our school phonics scheme and were therefore able to continue their phonics education remotely during lockdown.
Additional iPads/Resources for home learning	£7,650	All children had equal opportunities to access remote learning at home, communicate with their teacher and therefore continue quality

		education and learning during periods of lockdown. This helped children to transition back to face-to-face learning more confidently.
Internet routers to support online home learning	£1,500	Children who otherwise wouldn't, were able to engage with remote learning, accessing high quality teaching and therefore continue their education during periods of lockdown.
