

St John's Catholic Primary School

COLLECTIVE WORSHIP POLICY

"Christ is the Centre of our School Community where we live, love and learn together"

We aim

- To live out the teachings of Jesus in our everyday lives.
- To promote an open and welcoming atmosphere to all.
- To encourage and promote a spirit of partnership within the community that enhances the life of the school.
- To raise awareness of the wider and global community.
- To provide a good quality, broad, balanced and relevant curriculum which will enable every individual to achieve their full potential.

Collective Worship – What?

**"Worship is concerned with the reverence or veneration paid to a divine being or power."
(Circular 1/94)**

**"Prayer is the surge of the heart; it is a simple look turned toward heaven, it is a cry of recognition and of love, embracing both trial and joy."
(St. Teresa of Lisieux)**

The policy for Collective Worship in St John's School is based on our overall aim that we come together as one body – in any numbers – to praise and thank God for the gifts which he continually gives us and, through the teaching of the Gospels, to think about and reflect on how we live out God's love for us.

We are also asking the children to think of others in a wider context- parish, local community, country and global - as well as being in solidarity with our school family, current events and seasons of the year through prayer and communication with each other.

Collective Worship in St John's takes into account the religious and educational needs of all who share in it:

- those who form part of the worshipping community in church
- those for whom school may be their first and only experience of church
- those from other Christian traditions
- those from other faith backgrounds

Collective Worship is a Spiritual experience:

- to which all can contribute
- from which all can gain

Worship in St. John's School is more than a legal requirement. It is central to the Catholic education of our children and forms an essential part of the school's overall provision for prayer and worship.

Collective Worship in our school, whilst respecting diversity of belief and commitment, is Catholic in character, reflecting the liturgical traditions of the Church and has Christ at its heart.

Our Collective Worship is a time when staff, children and any visitors come together to worship as a Catholic community. We aim to have a focus of ideas at this time and also a focal point for the children to make their own private prayer.

During each period of Collective Worship children are invited to pray (formal/informal prayers), given time to reflect on the focal point of worship and encouraged to contribute to the worship.

Each day should begin and end with formal prayers in class unless Collective Worship is timetabled for these specific times.

Grace before meals is said at lunchtime.
