

Year 5 Water Safety

Tomorrow (Friday the 28th of November) in swimming children will be taking part in a **Water Safety** session.

The children have been asked to bring a **thin pair of pyjamas** with them, that that they are able to swim in. They will still need their swimming costumes underneath the pyjamas.

Water safety is a very important section of the swimming lessons and a part of the National Curriculum requirement.

The children will learn what it would be like to swim in clothing, if the occasion ever arose, and how they would stay safe.
