Teacher tips

Let the children lead their learning, if they are interested in a particular thing let them explore it and where possible make links with other things as children learn more if they enjoy it.
Breaks are important- Children cannot concentrate for long periods of time and need to have time built in for them to switch off. Try PE with Joe wicks or Cosmic Yoga on YouTube to get the children moving and enable them to burn off some energy.

Get Ready with Cleopatra

11 To look as fabulous as me, follow these simple beauty steps.
22 First, bathe in milk and honey to keep your skin nourished
34 and soft. I scrub away the dead skin using sea salt and
47 then I like to use crushed green grapes to give my skin a
49 golden glow.

60 I usually keep my makeup quite simple and natural. I crush
72 up lapis lazuli stone to create a deep blue eye shadow base
83 and then I add some sparkle with little chunks of gold
92 pyrite. Next, I make my eyelashes and eyebrows darker
103 using charcoal and animal fat. Then, I just rub some red
115 clay into my lips and cheeks and I'm ready to head down
121 to the pyramids for the day.
