Dear Parents and Carers,

Given the fact that this heat, that was meant to be getting cooler today, seems to be remaining, we are offering the opportunity for you to collect your child / children this afternoon at 1pm. This way, they will still have their lunch as planned but can then go home. We believe that the building is only going to get hotter as the day progresses.

It is not compulsory for you to have to come and collect your child, school will remain open until the typical end of the day. And if your child is booked into after school club and they will no longer be attending, please ensure you let them know.

Thank you for all your support this week, it's not been an easy few days for anyone given these extreme heat conditions, but I thank you all for the support you've offered as the week has progressed.

Have a lovely weekend.

Yours sincerely,
Mr Davey (Executive Headteacher).

Mr Davey
