Aim

To develop a secure understanding of what stable, caring relationships are and the different kinds there may be. Focusing on Catholic teaching, children will also know and understand about the conception of a child within marriage.

Questions

What are the key building blocks of a loving relationship?

How does conception take place?

Male and female reproductive organs

Social and Emotional

Learning intention

To develop a secure understanding that stable and caring relationships, which may be of different types, are at the heart of happy families.

Physical

Learning intention

Explain how human life is conceived.

Understand how a child grows within the mother's womb

After a few days, the cell divides repeatedly to form a ball of cells

After 8 weeks, the baby has eyes but no eyelids. It starts making its first tiny movements, but its mother cannot feel them yet

After 16 weeks, the baby begins to swallow and pass urine. It has fingers and toenails. At this stage its skin is bright red and transparent

Pause and reflect

Psalm 139:16-17

You saw me before I was born. Every day of my life was recorded in your book. Every moment was laid out before a single day had passed. How precious are your thoughts about me, O God. They cannot be numbered!

It is God who gives life. Let us respect and love human life, especially vulnerable life in a mother's womb.

Pope Francis

Spiritual

Learning intention

Show an understanding of how being made in the image and likeness of God informs decisions and actions when building relationships with others, including life-long relationships.
