4th September 2026

Dear Parents and Carers,

As we begin the new school year, we would like to remind everyone that **St John's Catholic Primary School remains a nut-free school**. This is an important measure to help keep our children safe, particularly those with severe nut allergies.

We kindly ask all parents and carers to be mindful of this when preparing packed lunches and snacks for school. Please do not send any items containing nuts or nut products, including spreads such as peanut butter and foods that may contain nuts.

In addition, in order to keep all children safe, we have decided that **no food items, including sweets, should be brought into school to share on birthdays or other special occasions**. This is because we have several children across the school with a range of allergies and dietary requirements, and we want to ensure that every child can participate safely in school life.

Please be assured that we will continue to celebrate birthdays and special occasions in school and will make these days special for our children in other ways.

We appreciate your support and cooperation in helping us provide a safe and inclusive environment for all members of our school community.

Thank you for your understanding and support.

Kind regards,

Mr Davey

Executive Headteacher.
