Holy Communion

Despite the fact that he is very ill, Father Terry was anxious that the First Holy Communion Day runs as smoothly as possible. Father Fitzgerald and our new and our new temporary priest, Father Silviu have been a great support and they are working with us to ensure that all goes well for our Yr 3 children. Thank you to all those Year 3 parents for their continued support during this programme.

Liverpool Performing Arts

St John's Choir and Yr 4 guitar group recently took part in the Liverpool Performing Arts Festival at St Georges Hall. Children gave an excellent performance which was thoroughly enjoyed by the audience.

Philharmonic Hall

Yr 4 children attended the Liverpool Philharmonic Schools Concert: "Beyond the Final Frontier" at the Philharmonic Hall on 15th March. As part of the performance the children performed the song 'Stars' as recorded by our school choir, this recording was circulated to other schools to support them in learning the song.

David Wilson Homes

You will have noticed the rapid progress in the building of the new housing development opposite our school.

Our children were recently featured in the Liverpool Echo for their excellent work in partnership with David Wilson Homes. This work will continue over the next few years. Our children have also worked with their architect and are involved in the naming of the streets on the new development.

Red Nose Day - Comic Relief

Friday 18th March is Red Nose Day - Comic Relief, in order to raise funds for the charity, we are inviting the children to come to school wearing something red, or wearing a red nose, and to make a donation of £1:00.

Many thanks for your support and continued co-operation.
