Dear Parents/ Carers,

Over the past year we have been successfully using the online learning platform called Seesaw to support home-school learning, as well as learning in the classroom.

Through using Seesaw we can support learning in a secure and safe way whilst providing individual feedback to children and parents. Seesaw gives children a place to document their learning whether working online or producing work that is not reliant on digital devices.

Each child will receive their own journal login code which can be used to add things like photos, videos, drawings, or notes with their teacher. However, before we can create your child/ children's accounts we need your permission. We would appreciate if you could complete the form at the bottom of the page to give us consent to start creating your child/ children online learning account.

I hope that your child will enjoy using the Seesaw document and share their learning this year. You can learn more about Seesaw by visiting <http://web.seesaw.me/>

Please sign below and return the form.

I give consent for my child, listed below, to use Seesaw for class and home activities.
