Issue: March 2013

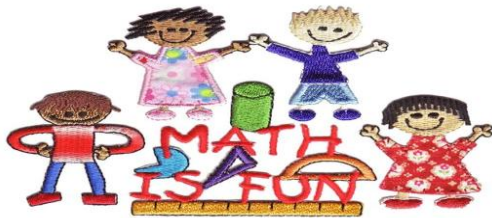

World Book Day

We celebrated World Book Day this month. The children had a fabulous time coming into school in their pyjamas and favourite book characters.

World Maths Day

We also celebrated World Maths Day this month by organising quizzes, maths challenges, competitions and maths games. The children had a great day proving that **maths is fun!**

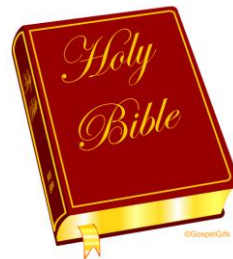

Book Fayre

Our book fayre also proved very popular. Thank you to all parents and carers for your support. We are all working together to develop a real love of books and reading here at St John's.

Poets Corner

We have lots of budding poets here at St John's. We recently hosted a visit from the poet Andy Tooze who worked across the school from Nursery through to Yr 6. The children produced some wonderful poems which we will publish on our new website.

First Holy Communion and Confirmations

A big thank you to our Year 4 parents who always attend our monthly workshops in preparation for First Holy Communion. We will send out further information to you as this special day approaches in the Summer term.
