

My child enjoyed attending the 'Read and Rhyme Time':

Yes!

Sometimes...

Not usually.

What did you feel your child enjoyed the most about the sessions?

She enjoyed having her dad with her at school
She enjoyed picking up toys related to songs
She enjoyed performing in front of others

My experience as parent or carer of the 'Read and Rhyme Time' is:

1 2 3 4 (5) stars
    

This is because...

I think it was a quality time with my daughter
and I had a chance to experience something different
and be part of her schooling

Are there any ways in which you think we could improve 'Read and Rhyme Time'?

nope.

Thank you for completing this evaluation
